25X1A6a

25X1C4a

accompany the flight bringing back the were forwarded to him on loapril, together with instructions to have a record of all minor injuries (cuts, scratches, abrasions, skin irritations, etc.) sustained by each student during his training. This record is required to support any reimbursement claims for medical treatment of not readily recognizable when they are incurred. It was recommended that a record of this type be kept for the entire period of training in later PM courses.

25X1A6a

25X1A

#### 2. REPRODUCTION OF STUDIES:

At the request of C/OS I have ordered reproduction of copies of "Internal Warfare and the Security of the Underdeveloped States" and "Elements of US Strategy to Deal with 'Wars of Liberation'," for use in the Counterinsurgency training program. With DDTR's concurrence, I have added NOFORN to the SECRET classification. This additional restriction will not preclude sending copies to authorized personnel abroad, but will prohibit passing to foreign personnel.

## 3. TRAINING MATERIALS FORWARDED:

25X1A9a 25X1A6a

a. Tradecraft: Nine items, including the Spanish-language Tradecraft Guide, to for use by Task Force W personnel Station:
